***Gabrielle Goudard & the French Quarter*** presents an "all in French" jazz repertoire, from translated American Jazz Standards, to original songs by renowned artists with beautiful arrangements.

The band takes different forms: from intimate duo with piano or acoustic guitar, to a full band in Quartet or Sextet.

From private events, to music venues, festivals, official ceremonies or cultural series, we will be pleased to accompany your special occasions with a French touch.

## HIGHLIGHTS:

We have performed in iconic Chicago places such as Andy's Jazz Club, Le Piano, the Ivy Room, 360 Cloudbar; for special occasions for the Consulate General of France in Chicago, the French American Chamber of Commerce in Chicago, Andersonville Chamber of Commerce, Chicago Department of Aviation Entertainment, Working in Concert, presentation of Légion d'Honneur, or the Jazz zone in Lima, Perú.
